Refuse Disposal Invoices		
All transactions with the public require that a tax invoice is presented to the customer without exception		
Contact Details Should be referred firstly to: Ruapehu District Council - Telephone (07) 895 8188 24-hour Pollution Hotline free phone (for refuse in waterways) - 0508 476 558		

Wastewater and Stormwater

Description	Fees and Charges 2023/24
<p><i>Council allows approved contractors to install new stormwater and wastewater connections. The property owner is required to negotiate a price with the approved contractor. Before the installation can commence, the owner of the property or the approved contractor must apply in writing to Council and an administration fee is payable. The application will take ten days to assess and, once approved by Council, the invoice must be paid before the connection is installed. Council or its agent must inspect the connection at the time of installation and connection to Council's stormwater or sewerage system.</i></p>	
Stormwater Connections	
The fee for a domestic connection is set for a standard 100mm connection. Administration Fee to cover costs associated with a connection to stormwater where there is an existing lateral	\$265
Installation of a new 100mm lateral into an underground main by Council contractor (includes administration fee)	\$1,656
