How this Delegations Register works

This Delegations Register is in five parts. The first part contains the Council's Delegations Policy. The Council's Delegations Policy explains the rules relating to the way in which delegations and sub-delegations apply and operate in the Council. Parts A to D are subject to the Council's Delegations Policy.

Part A contains delegations by the Council to Committees, Community Boards and Subcommittees. This is an efficient way in which to spread the responsibilities of decision-making among elected members and officers. Depending on the nature of the authority delegated to them, these bodies will either have the power to consider and recommend or to consider and make decisions in respect of the matters they deal with. They, like the Council, must comply with the decision-making requirements set out in part 6 of the Local Government Act 2002.

Part B contains the delegation of statutory and other delegations by the Council to the Chief Executive. These include all of the responsibilities, duties and powers imposed on the Council by statute or assumed under bylaws made by the Council, together with delegations in respect of financial management, property transactions, and other matters.

These delegations may be sub-delegated, unless this is expressly excluded in Part B.

Part C contains delegations by the Council to officers, in particular under the Local Government (Rating) Act 2002 and the Resource Management Act 1991.

These delegations may not be sub-delegated, unless this is expressly included in Part C.

Part D contains the sub-delegation by the Chief Executive to staff, of most of the responsibilities, duties and powers delegated by the Council to the Chief Executive. This is consistent with the principle behind the delegations register, referred to in clause 1.1 of the Delegations Policy which is to delegate decision-making to the lowest competent level. Generally, these sub-delegations may not be further sub-delegated.

The Chief Executive or Council officers exercising Council delegated duties or powers may choose to refer any matter back to Council, or the committee, subcommittee, or subordinate decision-making body with the appropriate area of responsibility. This may be appropriate where, for example, the matter is contentious, or requires political input because of the high degree of policy involved

Amendments to this Delegations Register

This Delegations Register is maintained by the Executive Manager Finance, Strategy, & Governance, whose staff may amend it to:

- Give effect to any Council resolution with respect to Parts A, B or C:
- Give effect to any written instruction to that effect given by the Chief Executive with respect to Part D:
- Make any typographical or grammatical corrections.

1.0 General Comments

- 1.1 The Council supports the principle of delegating decision-making to the lowest <u>competent</u> level. This makes best use of the abilities of Elected Members, ensuring the cost-effective use of resources and promoting the development of efficient and effective management. This principle has been applied to the preparation of this Delegations Register.
- 1.2 Unless expressly provided otherwise in the Local Government Act 2002, or in any other Act, the Council is able to, and will, delegate to a committee or other subordinate decision-making body, community board, or member or officer of the Council any of its responsibilities, duties, or powers except the power to:
 - make a rate; or
 - make a bylaw; or
 - borrow money, or purchase or dispose of assets, other than in accordance with the long-term plan; or
 - adopt a long-term plan, annual plan, or annual report; or
 - appoint a Chief Executive; or
 - adopt policies required to be adopted and consulted on under the Local Government Act 2002 in association with the long-term plan or developed for the purpose of the local governance statement; or
 - adopt a remuneration and employment policy.
- A committee, or other subordinate decision-making body, community board, or member or officer of the Council may delegate any of its responsibilities, duties or powers to a subcommittee or person, subject to any conditions, limitations, or prohibitions imposed by whichever body made the original delegation as well as any statutory limitations. The Council may also delegate to any other local authority, organisation, or person the enforcement, inspection, licensing, and administration related to the Council's bylaws and other regulatory matters.
- To avoid doubt, no delegation relieves the body or person making the delegation of the liability or legal responsibility to perform or ensure performance of the function or duty being delegated. The Council may have the power to delegate under enactments other than the Local Government Act 2002.
- 1.5 Any delegation made includes any ancillary responsibilities, duties, or powers necessary to give effect to that delegation.
- 1.6 Unless specifically time-limited, a delegation will continue in force until specifically revoked, or varied by the delegator or the Council. A delegation may be implicitly revoked if a committee or subcommittee is discharged. Refer clause 30(7) of Schedule 7 of the Local Government Act 2002.

1.7 Unless a valid delegation in respect of a matter HAS been made and included in the Delegations Register or there is a statutory provision which confers a matter directly on the Chief Executive or an officer, any decision required in respect of that matter can only be made by the Council at an ordinary or extraordinary meeting.

2.0 Committees, Subcommittees, other Subordinate Decision-Making Bodies and Joint Committees

- 2.1 The Council may appoint the committees, subcommittees, and other subordinate decision-making bodies that it considers appropriate. It may also appoint a joint committee with another local authority or other public body.
- Any of the Council's responsibilities, duties, or powers other than those referred to in clause 1.2 above may be delegated to a committee, subcommittee, or other subordinate decision-making body.
- 2.3 A committee or other subordinate decision-making body may appoint the subcommittees that it considers appropriate unless the Council prohibits it from doing so.
- 2.4 Committees or other subordinate decision-making bodies are subject in all things to the control of the Council. They must carry out all general and special directions of the Council given in relation to them. Subcommittees are subject in the same way to the committees that appointed them.
- 2.5 The Council or a committee is not entitled to rescind or amend a decision made under a delegation authorising the making of a decision by a committee, a subcommittee, or another sub-ordinate decision-making body.
- 2.6 All such bodies are, unless the Council resolves otherwise, deemed to be discharged on the coming into office of elected members at the next triennial election next after the committees, subcommittees, or other sub-ordinate bodies were appointed. Unless such a resolution is made, delegated powers may lapse by operation of this provision.
- 2.7 Committees or other subordinate decision-making bodies may delegate any of their responsibilities, duties, or powers (other than those referred to in clause 1.2) to a subcommittee or person, subject to any conditions, limitations, or prohibitions imposed by the Council or by the committee or body or person that made the original delegation.
- 2.8 These entities may, without confirmation by the Council or committee or body that made the delegation, exercise those delegations in the same way as the Council could have done.

3.0 Chief Executive

3.1 Ruapehu District Council is a local authority under the Local Government Act 2002. Elected members and the Mayor make up the Council's governing body, which is responsible and democratically accountable for decision-making.

Ruapehu District Council – Delegations Register

Version Date: 22 June 2022

Version:

- 3.2 The governing body appoints only one employee, the Chief Executive and he or she negotiates the terms of employment and employs all Council staff. The Chief Executive is the Council's principal administrative officer.
- 3.3 The Chief Executive is responsible for implementing the decisions of the Council and ensuring that all responsibilities, duties, and powers delegated to him or her, or to any person employed by the Council, are properly performed or exercised. This includes those imposed or conferred by an Act, regulation, or bylaw.
- 3.4 The Chief Executive may delegate to any other officer of the Council any of his or her powers under the Act, or any other statute, except the power to delegate or any power that is subject to a prohibition on delegation. Further sub-delegations are not permitted under the Local Government Act 2002.

4.0 **Member and Officer Delegations**

4.1 For the purpose of this Policy:

> "officer" means a named person, or the person who is for the time being the holder of a specified office. This does not infer officer status under the Health & Safety at Work Act 2015.

> "member" in relation to a community board, means a member appointed or elected to that board and in relation to the Council means a member of the governing body of the Council, including the Mayor.

- 4.2 The Council may delegate to a member or officer of the Council any of its responsibilities, duties, or powers other than those referred to in clause 1.2. Such delegations may be further delegated to another person, subject to any conditions, limitations, or prohibitions imposed by the Council or by the committee, body or person that made the original delegation.
- An officer may delegate to another officer of the Council any of his or her powers delegated by the Council to that officer, except: 4.3
 - the power to delegate; or
 - any power delegated to the officer that is subject to a prohibition on delegation; or
 - any power under an enactment where the enactment expressly prohibits the delegation of the power.

Effectively, this means that only one sub-delegation is permitted.

4.4 An officer to whom any responsibilities, duties or powers are delegated may exercise them in the same way and with the same effect as the delegating officer could have done.

Version Date: 22 June 2022

- 4.5 If not specified in the Delegations Register, and subject to any legislative limitations, delegations to an officer holding a named position may be exercised by all officers in a direct line of authority above that officer. This applies also to any officer who performs or exercises the same or a substantially similar role or function, whatever the name of his or her position.
- 4.6 A delegated authority must be exercised in accordance with all relevant Council policies and conditions, such as financial limits and process and reporting requirements.
- 4.7 Where an officer is in a position in an acting capacity, the officer may exercise the delegations applying to that position. However, the officer should state that he or she is exercising the delegation in an acting capacity.
- 4.8 Where there is any ambiguity between the wording of a legislative function and the delegation of that function to an officer, the wording of the legislation will prevail. A delegation made under legislation that is subsequently repealed will be read as a delegation made, with or without modification, under any replacement or corresponding legislation.
- 4.9 Responsibilities, duties or powers under the Resource Management Act 1991 and the Local Government (Rating) Act 2002 delegated by the Council to officers, including the chief executive, or to commissioners, may not be sub-delegated.
- 4.10 The delegation of a responsibility, duty or power is the granting of authority to exercise that responsibility, duty, or power, not a compulsion to do so (either at all or in a particular case). Whether or not to exercise a delegated authority may depend on the circumstances of a particular matter or the job description of the officer concerned.
- 4.11 Each Part of the Delegations Register will specify whether the delegations can be exercised severally (i.e., the delegation can be exercised by the officer acting alone) or whether they must be exercised jointly (i.e., TWO or more officers acting together or Community Board).
